**EXECUTIVE OFFICER'S REPORT  
MEMORANDUM OF UNDERSTANDING WITH MERCED COUNTY  
FOR LAFCO STAFF SUPPORT IN FY 2021-2022  
(AGENDA ITEM VII.C.)**

In accordance with the Cortese-Knox-Hertzberg Act of 2000, the Commission is required to operate as an independent agency from the County in which the LAFCO is located. To comply with this mandate, LAFCOs are responsible to adopt their own budget and independently direct the activities and budget of their staff and counsel. As in previous years, the Commission has elected to utilize staff from the Merced County Community & Economic Development Department as part of their professional staff - primarily for Planner and Clerk support. Since April 2014, the Executive Officer position is a separate contract position that oversees the County support staff in performance of their LAFCO functions, and performs other functions directly. In order to implement the final budget (which is scheduled for adoption on today's Commission agenda), a Memorandum of Understanding must also be entered with Merced County.

This Memorandum of Understanding (MOU) has been prepared for the Commission's adoption as a means of providing an agreement with the Board of Supervisors for the use of County staff and facilities for LAFCO operations. The current MOU with the County will expire on June 30, 2021.

The total dollar amount of the MOU is \$18,113 which reflects the support staff costs budgeted under the Administrative Services Account (No. 21840). The other expenditure accounts such as contractual agreements, LAFCO Counsel, postage, duplicating, transportation and travel are solely within the LAFCO budget in Fund No. 1220 and no agreement with the County is necessary.

**Recommendation**

Approve the Memorandum of Understanding between the Commission and Merced County, and authorize the Commission Chairperson or acting Chair to sign the document and direct staff to forward it to the County for approval.

**Respectfully submitted,**
