DATE: June 16, 2022 (Agenda)
TO: LAFCO Commissioners
FROM: Bill Nicholson, ^{BN} Executive Officer
RE: Election of Commission Chairperson and Vice Chairperson
(Agenda Item VI. A.)

Our local Merced LAFCO procedures call for the selection of Chairperson and Vice Chairperson at the May meeting of the Commission each year, however, as there was not a quorum present for the May 19th meeting, the appointments have been continued to today's Commission meeting. The terms are for one year, and the only other stipulation is that the two officers should not be selected from the same category of representation on the Commission (although an exception to this policy was made last year). The three categories of representation are city, county and public member.

Former Chairperson Nagy, who's term on the Commission expired in May, and Vice Chairperson Serratto were both appointed at the May 20, 2021 Commission meeting. For the Commission's information, the previous officers in 2020-21 were Commissioner Silveira as Chairperson and Commissioner Bertao as Vice Chairperson.

Action Requested

Accept nominations for the Chairperson and Vice-Chairperson positions, and vote on their respective appointment for one-year terms extending to May 2023.
