FROM: Bill Nicholson, Executive Officer  
SUBJECT: Upcoming 2022 CALAFCO Fall Conference in Newport Beach  
and Announcement for "CALAFCO-U" Virtual Session on September 19,  
2022  
**Agenda Item VII.A.**

The Annual professional association of LAFCOs "CALAFCO" is holding their first in-person conference after several years of cancellations due to COVID concerns. It will be held at the Hyatt Regency, Newport Beach near the John Wayne Airport from Wednesday, October 19 to Friday, October 21, 2022.

The attached Conference Announcement has a brief list of the proposed Conference sessions and topics, the mobile workshop, and information for registration, hotel reservations with links to Eventbrite and the Hyatt websites.

Attendance was budgeted for all Commissioners and two staff. Hotel reservations should be made as soon as possible, but the CALAFCO reduced rate ends on September 19, 2022, if there are still rooms available.

Let me know if you have any questions or want my assistance with reservations. However, since Merced LAFCo does not have a credit card, we cannot make hotel or travel reservations. However, we can submit the conference registration fee.

### **CALAFCO-U Session**

Also attached is the flyer for the upcoming CALAFCO-U (University) on-line session titled: "*Two Agencies in Dispute: LAFCO's Role in Assisting in Resolving the Conflict*" which seems like an appropriate topic for these trying times. Registration is free to CALAFCO members, so Commissioners can just sign up at the link on the flyer by the deadline on September 18<sup>th</sup> at 5:00 pm.
